

Milchwissenschaft – Milk Science International Checklist for Authors

This checklist is designed to help you to revise your manuscript.

SUBMISSION

- Please, submit two versions of your manuscript: the first with author names and affiliations, the second in anonymous form for the review process.

TYPES OF ARTICLES

- Original research papers: limited to 3000 words and 20 references
- Review articles (including meta-analyses): not limited in length. Please, contact the editor before submission.
- Short communications: limited to 1500 words
- Letters to the editor

TITLE PAGE

- Title: concise and specific for your study, avoid abbreviations and formulae
- Author names and affiliations: Please, indicate the author names unambiguously and present all authors' affiliation addresses (full postal address, e-mail address).
- Corresponding author: Indicate the corresponding author. The contact details include a phone number and an e-mail address.
- Abstract: The abstract may not contain more than 300 words.

TEXT

- Please, insert line numbers.
- Main headings (Introduction, Materials and Methods, Results, Discussion, Conclusions, Disclosure of conflicts of interest, Acknowledgements, References, Appendix) are on a separate line and left justified.
- Subsection headings are in the first line of a passage. The subsection heading and the text are separated by a colon.
- Only use SI units.
- Please, define non-standard abbreviations at first use. Genus and species names must be written out in full at first mention.
- Please, write scientific Latin names in italics.

REFERENCES

- Published literature or papers accepted for publication are cited according to Vancouver style. Citations are labelled in the text using Arabic numerals in square brackets (e.g. [1]).

ANIMAL EXPERIMENTS

- Please, assure that local/national animal testing regulations were considered and that animal experiments were permitted by local/national authorities (please, mention name/s of permitting authority/authorities, number of permission).

TABLES/FIGURES

- Please, create tables by using Microsoft Word.
- Tables and figures are numbered on the order in which they are first referenced in the text and should appear on separate pages following the References.
